About the property

Tucked away in the centre of town, this striking Cotswold stone residence delivers an exceptional mix of historic charm and modern architectural style. Beautifully renovated throughout, the property offers highly adaptable accommodation with two or three bedrooms, thoughtfully designed for contemporary living.

The standout feature is the impressive open-plan living space, where expansive glazing and wide openings create a natural flow to the private courtyard garden. The outdoor areas have been designed as an extension of the home itself. A second secluded seating area is enclosed by mature yew hedging and enhanced by climbing wisteria with further storage. A rare advantage for such a central position is the private parking, with space for up to three vehicles along with an electric car charging point.

The main living area combines style with practicality, incorporating a bespoke fitted kitchen with integrated appliances and a substantial island unit ideal for informal dining. Beyond this sits a dedicated dining space and a light-filled sitting area centred around a contemporary inset fireplace. A versatile additional room on the ground floor can serve as a home office, cosy snug, or occasional third bedroom. Positioned beside a modern wet room and opening directly onto the

courtyard, it also works perfectly as guest accommodation.

A cleverly concealed staircase leads to the principal bedroom suite, an impressive retreat with vaulted ceilings and space for a seating area. The adjoining shower room has been finished to a high standard and includes a large walk-in shower. Above, a mezzanine level offers flexibility as a dressing area, study space, or additional storage. The second bedroom is equally well-appointed, complete with its own ensuite shower room and mezzanine area, making it ideal for guests or flexible lifestyle use.

Blending period character with contemporary sophistication, this is an outstanding and highly individual home in one of the Cotswolds' most desirable town-centre locations. Viewing is highly recommended to appreciate the quality, design, and atmosphere of this unique property.

NB - please be aware that the property is Listed by curtilage. This is where buildings, structures or objects are deemed to be listed by virtue of being within the curtilage of a listed building. Meaning if works are planned for the property will have obtain listed building consent along with the normal planning consents.
