About the property

Step through the front door into a welcoming hallway, where stairs rise to the first floor. To the left is a generously sized living room, complete with built-in shelving and a useful storage cupboard.

At the rear of the property is the stylish kitchen/dining room, fitted with a range of green wall and base units with elegant gold hardware and an upgraded glass backsplash. Integrated appliances include a full-size dishwasher, fridge/freezer, oven, gas hob, and extractor fan. French style patio doors open out onto the garden, creating a bright and open feel.

Just off the kitchen is a handy utility room with a built-in washer/dryer, and a convenient cloakroom.

Upstairs, you'll find three bedrooms. The two double bedrooms include a spacious principal bedroom featuring fitted wardrobes and an en-suite shower room with a heated towel rail. The third bedroom, currently used as a home office, would also make a generously sized single room and includes a built-in storage cupboard.

A modern family bathroom completes the upstairs accommodation, fitted with a white suite, a bath with an overhead shower, and fully tiled wall.

Outside, the west-facing garden is one of the larger plots on the development. It features a patio area, and side access leads to the driveway. There is off-road secure driveway parking for two cars and the added benefit of an EV charging point.

Amenities

The historic market town of Faringdon, dating back at least to the 12th century, has a thriving community and amenities such as the Leisure Centre, Library, Faringdon Community College, The Elms and Folly View primary schools as well as The Old Station Nursery, doctors' and dentists' surgeries and The Place Family Centre. Buses travel from the town to private schools at Abingdon. The town now boasts three large supermarkets.

Faringdon is also ideally positioned for the A420, leading to the A34, M40 and M4 and mainline railway services from Swindon, Oxford, Oxford Parkway and Didcot Parkway. There is a frequent bus service through the town from Swindon to Oxford and back, linking to rail services and airports.

The Tower on Folly Hill was built by Lord Berners in 1935 and affords panoramic views across four counties. For over 20 years, the town has been twinned with Le Mêle-sur-Sarthe in France and more recently with Königstein im Taunus in Germany. In 2004, Faringdon became the first Fairtrade town in the South East of England.
