About the property

Upon entering the cottage you are welcomed into the living room, centred around a stunning log burner, with ample space for furniture. On the right is the dining room a wonderful size and a feature bricked fireplace, this in turn flows into the kitchen with a range of wall and base units as well as space and plumbing for white goods. At the back of the kitchen is a utility space, downstairs cloakroom and rear door.

To the first floor are two double bedrooms, both serviced by their own en-suites.

Externally there is a small courtyard garden, that offers privacy and low maintenance care.

Amenities

The historic market town of Faringdon, dating back at least to the 12th century, has a thriving community and amenities such as the Leisure Centre, Library, Faringdon Community College, The Elms and Folly View primary schools as well as The Old Station Nursery, doctors' and dentists' surgeries and The Place Family Centre. Buses travel from the town to private schools at Abingdon. The town now boasts three large supermarkets.

Faringdon is also ideally positioned for the A420, leading to the A34, M40 and M4 and mainline railway services from Swindon, Oxford, Oxford Parkway and Didcot Parkway. There is a frequent bus service through the town from Swindon to Oxford and back, linking to rail services and airports.

The Tower on Folly Hill was built by Lord Berners in 1935 and affords panoramic views across four counties. For over 20 years, the town has been twinned with Le Mêle-sur-Sarthe in France and more recently with Konigstein im Taunus in Germany. In 2004, Faringdon became the first Fairtrade town in the South East of England.
