About the property

Situated in the ever-popular village of Kingston Bagpuize, this well-presented three-bedroom detached bungalow offers spacious single-storey living, generous driveway parking, and a superb low-maintenance rear garden complete with versatile outbuildings.

The accommodation is both practical and well balanced, beginning with a welcoming entrance hall that provides access to all principal rooms. The sitting room is a bright and comfortable space, while the modern kitchen leads through to a delightful sun room overlooking the garden, creating an ideal space for dining, relaxing or entertaining throughout the year.

There are three bedrooms, with the principal bedroom benefiting from an en-suite WC, whilst the remaining bedrooms are served by a contemporary shower room.

Externally, the property continues to impress. To the front is a substantial block-paved driveway providing parking for several vehicles. The rear garden has been thoughtfully designed for ease of maintenance, with an extensive paved patio perfect for outdoor entertaining. A timber workshop and a separate summer house offer excellent flexibility, whether as storage, a hobby room, home office or garden retreat.

Further benefits include solar panels, adding to the property's energy efficiency and helping to reduce running costs.

Amenities

Kingston Bagpuize with Southmoor is situated 10 miles south-west of Oxford at the junction of the A420 and A415.

The village shops and services, including a Post Office, general stores, newsagent, small supermarket and hairdresser, are used by many neighbouring communities. The village hall is a facility of which the village can be justly proud. Millets Farm is a popular local attraction with an excellent farm shop, garden centre, animal visits and a play area, just a mile and a half out of the village.

There is a Pre-School and the John Blandy VC primary school in Southmoor, and secondary schools in Abingdon and Faringdon as well as a number of independent schools within easy reach, including Abingdon School Preparatory School (formerly Josca's) just down the road.

There are good road links to the A34, M4 and M40 motorways and to the towns of Abingdon, Oxford, Faringdon, Wantage and Swindon, with mainline rail services from Oxford, Oxford Parkway, Didcot Parkway and Swindon. A frequent bus service runs through the village from Swindon to Oxford and back which links to railway stations and airports.

Additional Information

Additional information that may affect your decision to purchase this property is on our website under the property listing or on request from the office.
