About the property

The property is entered via a useful porch, opening into an impressive sitting room measuring over 22ft in length and providing plenty of space for both relaxing and entertaining. To the front is a separate study, ideal for those working from home, while a useful storage room and ground-floor cloakroom add further practicality. To the rear, the kitchen/dining room extends to over 18ft and enjoys an outlook across the garden.

Upstairs, the accommodation continues with four nicely proportioned bedrooms, all serviced by the family bathroom.

Outside is where this home really comes into its own. The rear garden is beautifully established, with an abundance of mature planting, colourful borders and pathways creating a wonderfully private and leafy setting. At the end of the garden is a substantial outbuilding measuring approximately 23ft x 8ft, offering excellent potential as a workshop, hobby room, studio or additional storage.

To the front, the property is set back behind a generously gravelled driveway providing ample off-road parking, complemented by further mature planting.

A fantastic family home offering generous accommodation, excellent outside space and plenty of versatility, all within Faringdon.

Amenities

The historic market town of Faringdon, dating back at least to the 12th century, has a thriving community and amenities such as the Leisure Centre, Library, Faringdon Community College, The Elms and Folly View primary schools as well as The Old Station Nursery, doctors' and dentists' surgeries and The Place Family Centre. Buses travel from the town to private schools at Abingdon. The town now boasts three large supermarkets.

Faringdon is also ideally positioned for the A420, leading to the A34, M40 and M4 and mainline railway services from Swindon, Oxford, Oxford Parkway and Didcot Parkway. There is a frequent bus service through the town from Swindon to Oxford and back, linking to rail services and airports.

The Tower on Folly Hill was built by Lord Berners in 1935 and affords panoramic views across four counties. For over 20 years, the town has been twinned with Le Mêle-sur-Sarthe in France and more recently with Königstein im Taunus in Germany. In 2004, Faringdon became the first Fairtrade town in the South East of England.
