Stanford In The Vale

Key Features

3 Bedrooms

2 Bathrooms

2 Receptions

About the property

The entrance hall provides access to a cloakroom before leading into the sitting room. With a window overlooking the front, this is a comfortable space with plenty of room for seating. An inner hallway houses the stairs to the first floor and leads through to the kitchen/dining room.

Spanning the rear of the house, the kitchen/dining room is fitted with a range of pale blue wall and base units, complemented by contrasting worktops, a built-in oven and a gas hob with an extractor above. There is space for a dining table, while French doors open onto the patio, providing a lovely connection to the garden.

Upstairs are three bedrooms, comprising two doubles and a single that could also serve as a home office or nursery. The main bedroom benefits from a built-in wardrobe and an en-suite shower room, while a separate family bathroom serves the remaining bedrooms. A landing cupboard provides additional storage.

Outside, the rear garden features a paved seating area leading onto a lawn, bordered by established shrubs and trees. Timber fencing encloses the space, creating a pleasant setting for outdoor dining and relaxing. To the front, planted borders sit alongside the path to the entrance.

Additional Information

Additional information that may affect your decision to purchase this property is available on our website within the property listing or from the office on request.

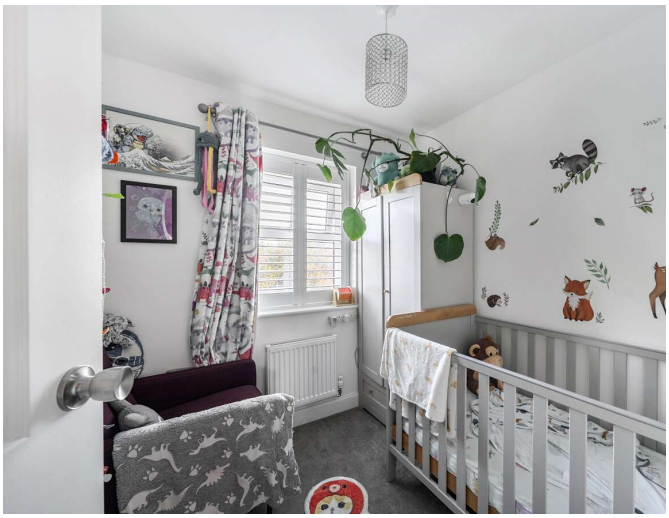

We ask our clients about known legal aspects such as rights of way, restrictions and accessibility information. If there is anything further you would like to know, please contact the office.
