Braydon Methodist Church

Queen Street, Braydon, Swindon, SN5 0AQ

We are delighted to once again be working with the Upper Thames Methodist Circuit and bring to the market this unique property situated in a rural location adjacent to woodland and agricultural land.

The property dates back to the early 19th Century and is of a tin tabernacle non-standard construction. A programme of refurbishment took place in 2014 when a new porch was constructed together the installation of new electrics to the building.

The site has a frontage to the road of 12 metres with an overall depth of 22 metres and is calculated to have an approximate area of 270 m2.

The buildings are constructed with timber frame clad externally with corrugated galvanised iron sheet and lined out internally with tongue and groove board and plasterboard.

The premises have an approximate floor area of 70 m2 and are arranged as follows:-

Chapel with porch to south end
Lobby
Disabled adapted unisex cloakroom
Kitchen

Outside

There is a small area of land to the rear of the building which would make a perfect outdoor seating area.
