About the property

Surrounded by rolling countryside, this detached five bedroom house has to be seen to understand that there is no such thing as a small room within its walls!

Approached into the porch, which leads into the farmhouse kitchen, complete with plenty of storage, a range oven and space for appliances. Adjacent is a good size utility room, again with plenty of storage.

The house was formerly two workers cottages and this is evident in the dining room with a feature fireplace and potential for a wood burning stove. An internal hallway has a staircase to the first floor and a downstairs cloakroom.

The snug at the rear of the house was a relatively recent addition and opens up into the conservatory with double door into the garden. The sitting room is huge with windows along one side.

Upstairs there is a double bedroom over the extension with windows on two sides and the use of the newly refurbished family bathroom with a bath and separate rainfall shower. The principal bedroom is an extremely good size, windows on two sides and an en-suite bathroom with a separate rainfall

shower.

There are two further double bedrooms and a single bedroom, with a family shower room between.

Outside the gardens run in a long triangle, with terracing close to the house, lawn and then tapering to a prolific orchard.

Opposite the house is parking area for several cars, the driveway will have gravel delivered to tidy up the front. The former cattery has been refurbished to create a triple garage with two rooms which could form a work from home office or a teenagers den. There are multiple purposes for this area.

The house has been the subject of some significant upgrades including new doors and windows, two new bathrooms, a new boiler and oil tank and solar panels which were installed in 2021.

There is a bridle path which goes along the driveway.

Amenities

Tetbury, often referred to as the gateway to the Cotswolds, and once voted by Country Life magazine as the third most desirable town in the country, is a thriving historic Cotswold market town situated less than half an hour from both the M4 and M5 motorways and within easy reach of Cirencester, Cheltenham, Bath, Bristol and Swindon. There is good access to Kemble Railway Station with regular Intercity services to London and other regional commercial centres.

Tetbury is well known for its royal houses with HRH The Prince of Wales at Highgrove House, and Gatcombe Park the home of The Princess Royal both close by. Tetbury boasts an exciting range of shops including specialist boutiques, city standard delicatessens, the Highgrove Shop, two supermarkets and many fine antique shops. The town has an excellent variety of hotels, restaurants, cafes and brasseries offering a mouth-watering range of cuisine.

There is an excellent range of schools in the area including Westonbirt Preparatory and Senior Schools (3 - 18 years). There is also Beaudesert Park at Minchinhampton together with popular state primary and secondary schools in and around Tetbury.
